For sponsorships that include two foursomes, please copy this form to send info for both foursomes.

Visiting Nurse Service of New York (VNSNY) is one of the largest not-for-profit home- and community-based healthcare organization in the United States, with nearly 40,000 patients and health plan members in its care on any given day. In 2020, VNSNY – together with our generous supporters and community partners – provided over \$53 million in charitable care and community benefit programs. These wide-ranging programs improved the lives of tens of thousands of New Yorkers, young and old.

Funds raised will support the **VNSNY Veterans Programs**, which provide veterans and their loved ones with a skilled veteran liaison, who will assist and guide them with accessing the many benefits and services available through the Veterans Administration. Our **VNSNY's Hospice Care for Veterans Program** offers specialized care to veterans and their families, and has earned the highest level, Level Five status with *We Honor Veterans*.

Funds raised will also support the **VNSNY Coronavirus Response Fund**, helping VNSNY adapt to the changing reality of providing home health care during a pandemic, including providing personal protective equipment and critical supplies to treat COVID-positive patients safely, supporting virtual visits where possible, and rolling out COVID-19 vaccines to our staff so they can remain safe while continuing to provide care.

VNSNY 2021 Golf Co-Chairs:

Kerry M. Parker
Frank S. Vigilante

Joseph Vitti, US Army Ret.
Honorary Chair

107 East 70th Street • New York, NY 10021
